Shareholders should also read the notes to this Notice of Annual General Meeting which are set out on pages 198 to 201 of this report. Those notes provide further information about shareholders' entitlement to attend, speak and vote at the Annual General Meeting (and their ability to appoint another person to do so on their behalf).

Explanatory Notes

The following notes provide an explanation of the resolutions to be considered at the 118th annual general meeting (the "AGM") of A.G. BARR p.l.c. (the "Company").

The board of directors of the Company (the "Board") considers that all the resolutions to be considered at the AGM are in the best interests of the Company and its shareholders as a whole and unanimously recommends that you vote in favour of them.

Resolutions 1 to 15 (inclusive) will be proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolutions 16 and 17 will be proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Receive and approve the reports and accounts

Shareholders are being asked to receive and approve the audited accounts of the group and the Company (as audited by Deloitte LLP) for the year ended 30 January 2022, together with the associated reports of the directors and auditor.

Resolution 2 – Directors' remuneration

The directors' remuneration report is divided into three parts: the annual statement by the chairman of the remuneration committee, the directors' remuneration policy and the directors' remuneration report.

- The annual statement by the chairman of the remuneration committee (which is set out on pages 76 to 78 of this report) provides a summary of the directors' remuneration policy and the directors' remuneration report.
- The directors' remuneration policy (which is set out on pages 96 to 109 of this report) sets out the Company's future policy on directors' remuneration.
- The directors' remuneration report (which is set out on pages 79 to 95 of this report) gives details of the payments and share awards made to the directors in connection with their and the Company's performance during the year ended 30 January 2022. It also details how the Company's policy on directors' remuneration will be operated in the coming year.

This resolution invites shareholders to approve the annual statement by the chairman of the remuneration committee and the directors' remuneration report (other than the part containing the directors' remuneration policy which was approved at the annual general meeting of the Company held in 2020 and which it is expected will not be voted on until the annual general meeting to be held in 2023) for the year ended 30 January 2022. This resolution is an advisory vote and will not affect the way in which the Company's remuneration policy has been implemented. Each year, shareholders will be given an advisory vote on the implementation of the directors' remuneration policy in relation to the payments and share awards made to directors during the year under review.

Resolution 3 – Final dividend

Shareholders are being asked to approve a final dividend of 10.00 pence per ordinary share of 4 1/6 pence for the year ended 30 January 2022. If shareholders approve the recommended final dividend, it will be paid on 10 June 2022 to all shareholders on the Company's register of members on 13 May 2022.

Resolutions 4 to 12 inclusive – Re-election and election of directors

The Company's Articles of Association require that all newly appointed directors retire at the first annual general meeting following their appointment. Consequently, Mr Mark Allen OBE and Ms Zoe Louise Howorth will retire and offer themselves for election.

The Board complies with the provisions of the UK Corporate Governance Code whereby all directors are subject to annual re-election. Accordingly, all other directors of the Company are retiring and offering themselves for re-election.

Notice of Annual General Meeting continued

Biographical details of the directors are set out on pages 58 to 59 of this report. The Board has confirmed that, following formal performance evaluation, all of the directors continue to perform effectively and demonstrate commitment to their roles. The Board therefore unanimously recommends the proposed re-election (or election in the case of Mr Mark Allen OBE and Ms Zoe Louise Howorth) of the directors.

Resolution 13 – Re-appointment of auditor

The Company is required to appoint an auditor at each general meeting at which accounts are presented to shareholders and Deloitte LLP have indicated their willingness to continue in office. Accordingly, shareholders are being asked to approve the re-appointment of Deloitte LLP as auditor of the Company to hold office until the conclusion of the next general meeting at which accounts are laid before the Company and to authorise the audit and risk committee of the Board to fix their remuneration.

Resolution 14 – Authority to allot shares

The directors may not allot shares in the Company unless authorised to do so by shareholders in general meeting. Sub-paragraph (a) of Resolution 14, if passed, will authorise the directors to allot shares having an aggregate nominal value of up to £1,555,956.54, representing approximately one third of the Company's issued share capital as at 20 April 2022 (being the latest practicable date prior to the publication of this report). The directors have no present intention to exercise this authority.

In line with guidance issued by the Investment Association, sub-paragraph (b) of Resolution 14, if passed, will authorise the directors to allot additional shares in connection with a rights issue having an aggregate nominal value of up to £1,555,956.54, representing approximately one third of the Company's issued share capital as at 20 April 2022 (being the latest practicable date prior to the publication of this report). The directors have no present intention to exercise the authority sought under sub-paragraph (b) of Resolution 14. However, if such authority is obtained, it will give the Company greater flexibility to allot additional shares for the purpose of a pre-emptive rights issue. This authority will be used when the directors consider it to be in the best interests of shareholders.

The authorities sought under Resolution 14 will expire on the earlier of 31 July 2023 (being the latest date by which the Company must hold its annual general meeting in 2023) and the conclusion of the annual general meeting of the Company held in 2023.

Resolution 15 – All Employee Share Ownership Plan

At the Company's annual general meeting held in 2001, shareholders were asked to approve the terms of the All Employee Share Ownership Plan (known as the 'AESOP'). The rules of the AESOP allow the Company to make share awards for up to 80 years – with the authority to do so expiring in 2081. Principles of good corporate governance recommend that schemes such as the AESOP should only exist for a period of 10 years before they end and a company asks its shareholders to consider putting in place a new scheme. Rather than terminating the existing AESOP and incurring the cost of setting up a new scheme, the Company has decided to seek shareholder approval for the continued operation of the AESOP. This is the second time the shareholders have been asked to re-approve the AESOP, following re-approval at the Company's annual general meeting held in 2012, and the Company intends to seek a similar shareholder approval every 10 years.

Resolution 16 – Disapplication of statutory pre-emption rights

If the directors wish to allot new shares for cash, the Companies Act 2006 states that the shares must be offered first to existing shareholders in proportion to their existing shareholdings. For legal, regulatory and practical reasons, it might not be possible or desirable for shares allotted by means of a pre-emptive offer to be offered to certain shareholders, particularly those resident overseas. Furthermore, it might, in some circumstances, be in the Company's interests for the directors to be able to allot some shares for cash without having to offer them first to existing shareholders. To enable this to be done, shareholders' statutory pre-emption rights must be disapplied. Accordingly, Resolution 16, if passed, will empower the directors to allot a limited number of new equity securities without shareholders' statutory pre-emption rights applying to such allotment. The authority conferred by Resolution 16 would also cover the sale of treasury shares for cash.

Sub-paragraph (a) of Resolution 16 will, if passed, confer authority on the directors to make any arrangements which may be necessary to deal with any legal, regulatory or practical problems arising on a rights issue, an open offer or any other pre-emptive offer in favour of ordinary shareholders, for example, by excluding certain overseas shareholders from such issue or offer.

Sub-paragraph (b) of Resolution 16 will, if passed, disapply shareholders' statutory pre-emption rights by empowering the directors to allot equity securities for cash on a non pre-emptive basis but only new equity securities having a maximum aggregate nominal value of £233,393.48, representing approximately 5% of the Company's issued share capital as at 20 April 2022 (being the latest practicable date prior to the publication of this report).

The authority sought under Resolution 16 will expire on the earlier of 31 July 2023 (being the latest date by which the Company must hold an annual general meeting in 2023) and the conclusion of the annual general meeting of the Company held in 2023.

Resolution 17 – Purchase of own shares

The Companies Act 2006 permits a company to purchase its own shares provided the purchase has been authorised by shareholders in general meeting.

Resolution 17, if passed, will give the Company the authority to purchase any of its own issued ordinary shares at a price of not less than an amount equal to the nominal value of an ordinary share and not more than the higher of: (i) 5% above the average of the middle market quotations of the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the five dealing days before any purchase is made; and (ii) the higher of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out.

The authority will enable the purchase of up to a maximum of 11,202,887 ordinary shares, representing approximately 10% of the Company's issued ordinary share capital as at the date of the AGM, and will expire on the earlier of 31 July 2023 (being the latest date by which the Company must hold an annual general meeting in 2023) and the conclusion of the annual general meeting of the Company held in 2023.

The directors will only exercise this buy back authority after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels and the overall position of the Company. Purchases would be financed out of distributable profits and shares purchased would either be cancelled (and the number of shares in issue reduced accordingly) or held as treasury shares.

The Company operates two share option schemes under which awards may be satisfied by the allotment or transfer of ordinary shares to a scheme participant. However, in practice, the Company has always satisfied awards to participants by the transfer of ordinary shares from the trustee of each of the schemes.

As at 20 April 2022 (being the latest practicable date prior to the publication of this report), options had been granted over 1,615,020 ordinary shares (the "**Option Shares**") representing approximately 1.44% of the Company's issued share capital at that date. If the authority to purchase the Company's ordinary shares (as described in Resolution 17) was exercised in full, the Option Shares would have represented approximately 1.60% of the Company's issued share capital as at 20 April 2022. As at 20 April 2022, the Company did not hold any treasury shares.

NOTES

1. Attending the Annual General Meeting in person

If you wish to attend the Annual General Meeting (“AGM”) in person, you should arrive at the venue for the AGM in good time to allow your attendance to be registered. It is advisable to have some form of identification with you as you may be asked to provide evidence of your identity to the Company’s registrar, Equiniti Limited (the “Registrar”), prior to being admitted to the AGM.

2. Appointment of a proxy

Members are entitled to appoint one or more proxies to exercise all or any of their rights to attend, speak and vote at the AGM. A proxy need not be a member of the Company but must attend the AGM to represent a member. To be validly appointed, a proxy must be appointed using the procedures set out in these notes and in the notes to the accompanying proxy form.

If a member wishes a proxy to speak on their behalf at the AGM, the member will need to appoint their own choice of proxy (not the Chairman of the AGM) and give their instructions directly to them. Such an appointment can be made using the proxy form accompanying this notice of AGM, electronically, through CREST, or through Proxyimity.

Members can only appoint more than one proxy where each proxy is appointed to exercise rights attached to different shares. Members cannot appoint more than one proxy to exercise the rights attached to the same share(s). If a member wishes to appoint more than one proxy, they should contact the Registrar at Equiniti Limited, Aspect House, Spencer Road, Lancing, BN99 6DA.

A member may instruct their proxy to abstain from voting on a particular resolution to be considered at the AGM by marking the “Withheld” option in relation to that particular resolution when appointing their proxy. It should be noted that an abstention is not a vote in law and will not be counted in the calculation of the proportion of votes “For” or “Against” the resolution.

The appointment of a proxy will not prevent a member from attending the AGM and voting in person if he or she wishes.

A person who is not a member of the Company but who has been nominated by a member to enjoy information rights does not have a right to appoint a proxy under the procedures set out in these notes and should read note 9 below.

3. Appointment of a proxy using a proxy form or electronically

A proxy form for use in connection with the AGM is enclosed. To be valid, any proxy form or other instrument appointing a proxy, together with any power of attorney or other authority under which it is signed or a certified copy thereof, must be received by post or (during normal business hours only) by hand by the Registrar at Equiniti Limited, Aspect House, Spencer Road, Lancing, BN99 6DA, or submitted electronically at www.sharevote.co.uk at least 48 hours before the time of the AGM or any adjournment of that meeting.

If you do not have a proxy form and believe that you should have one, or you require additional proxy forms, please contact the Registrar at Equiniti Limited, Aspect House, Spencer Road, Lancing, BN99 6DA.

4. Appointment of a proxy through CREST

CREST members who wish to appoint a proxy through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to: www.euroclear.com. CREST personal members or other CREST sponsored members and those CREST members who have appointed (a) voting service provider(s) should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the Registrar (ID RA19) no later than 48 hours before the time of the AGM or any adjournment of that meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a proxy appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed (a) voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting system provider(s) are referred to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

5. Appointment of a proxy through Proxymity

If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 12.00 p.m. on 25 May 2022 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity’s associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

6. Appointment of a proxy by joint holders

In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the purported appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company’s register of members in respect of the joint holding (the first named being the most senior).

7. Corporate representatives

Any corporation which is a member can appoint one or more corporate representatives. Members can only appoint more than one corporate representative where each corporate representative is appointed to exercise rights attached to different shares. Members cannot appoint more than one corporate representative to exercise the rights attached to the same share(s).

8. Entitlement to attend and vote

To be entitled to attend and vote at the AGM (and for the purpose of determining the votes they may cast), members must be registered in the Company’s register of members at 6.30 p.m. on 25 May 2022 (or, if the AGM is adjourned, at 6.30 p.m. on the day two days prior to the adjourned meeting). Any changes to the Company’s register of members after the relevant deadline will be disregarded in determining the rights of any person to vote at the AGM.

Notice of Annual General Meeting continued

If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights.

The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the 2006 Act. Where the Company is required to place a statement on a website under section 527 of the 2006 Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the 2006 Act to publish on a website.

Any person holding 3% or more of the total voting rights of the Company who appoints a person other than the Chairman of the AGM as his/her proxy will need to ensure that both he/she, and his/her proxy, comply with their respective disclosure obligations under the UK Disclosure Guidance and Transparency Rules.

16. Further questions and communication

Under section 319A of the 2006 Act, the Company must cause to be answered any question relating to the business being dealt with at the AGM put by a member attending the meeting unless answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, or the answer has already been given on a website in the form of an answer to a question, or it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Members who have any general queries about the AGM should contact the Company Secretarial Department by email to: companysecretarialdepartment@agbarr.co.uk.
